IIITA

INDIAN INSTITUTE OF
INFORMATION TECHNOLOGY AGARTALA

Genesis

The Indian Institute of Information Technology Agartala (IIIT Agartala) was established in 2018 by the Government of India as an Institute of National Importance to promote excellence in information technology education and research, with a special focus on the development of the North-East region. Established under the Public-Private Partnership (PPP) model, its partners include the Government of India, the Government of Tripura, ONGC, and NEEPCO. The institute began functioning from the mentor campus of NIT Agartala, where students have access to its academic and infrastructural facilities.

Director's Message

It is my distinct pleasure and privilege to welcome you to the Indian Institute of Information Technology Agartala. Our institute, established as an Institute of National Importance, is committed to building a world-class campus that is conducive to learning, research, and innovation.

Our goal is to create an atmosphere that inspires creativity, critical thinking, and innovation. We are committed to building a culture of inclusivity, diversity, and equity for all who come to study, teach, and work at our institute.

We aspire to attract the best talent from around the world and to build a team of passionate educators and researchers who are committed to making a positive impact on our society and the world at large.

Prof. Dr. Abhay Kumar
Director, IIIT Agartala

Institute Profile

IIIT Agartala is presently operating from its transit campus at the National Institute of Technology (NIT) Agartala, which serves as its mentor institute, providing academic guidance and access to world-class facilities. The institute currently offers a B.Tech. programme in Computer Science and Engineering (CSE), emphasizing academic excellence, industry-oriented learning, research, and innovation. Hence, the students of IIIT Agartala have full access to the academic and infrastructural facilities of NIT Agartala.

As part of its long-term vision, the Institute aims to broaden its academic portfolio by introducing new undergraduate, postgraduate, and research programmes in emerging areas of science, engineering, and technology, subject to the approval of the competent authorities.

Vision

- To be a global centre of excellence in Information Technology education, training, and research — cultivating innovators, researchers, and product creators.

Mission

- To promote academic growth by offering different UG, PG, doctoral programs and generate new knowledge through research.
- To impart value added teaching learning for developing competent and skilled professionals.
- To create a strong association between academia, industry and society across the globe and to transform the life of an individual & the society.

Values

Integrity

Rooted in integrity, IIIT Agartala upholds honesty, fairness, transparency, and ethical conduct in all its academic, research, and administrative endeavours. The Institute promotes a culture of responsibility and accountability, inspiring students, faculty, and staff to uphold the highest standards of professional and personal ethics.

Compassion

IIIT Agartala fosters a culture of compassion by encouraging empathy, mutual respect, inclusiveness, and concern for the well-being of others. The Institute values a supportive and caring environment where students, faculty, and staff are encouraged to understand diverse perspectives, support one another, and contribute positively to society.

Trustworthiness

IIIT Agartala builds trust through transparency, accountability, reliability, and responsible conduct. The Institute strives to create an environment where students, faculty, staff, and stakeholders can depend on one another, uphold commitments, and communicate openly and respectfully.

Initiative

IIIT Agartala encourages initiative by empowering students and faculty to take ownership, explore new ideas, identify opportunities, and pursue innovative solutions. The Institute promotes independent thinking, resourcefulness, entrepreneurship, and proactive engagement in academic, research, and societal activities.

Freedom of enquiry

IIIT Agartala promotes the freedom to pursue knowledge through curiosity, critical thinking, open dialogue, and independent enquiry. The Institute encourages students and faculty to question, explore, experiment, and express diverse viewpoints while respecting intellectual differences and engaging in constructive academic discourse.

Governance & Administration

The Board of Governors serves as the cornerstone of IIIT Agartala's governance framework, ensuring transparency, accountability, and strategic decision-making while nurturing a culture of excellence in education, research, and innovation.

- **Chairman BOG** : Lt. Gen. (Retd.) Mr. Konsam Himalaya Singh.
- **The Joint Secretary (TE)**. Govt. of India, Department Higher Education, Ministry of Education.
- **The Secretary**, Govt. of Tripura, New Secretariat Complex, Agartala.
- The **Director** of NIT Agartala, West Tripura.
- **Dr. Ravinder Pal**, Associate Director, SSPL.
- **Prof. Gautam Barua**, Ex-Director, IIT Guwahati
- **Prof. K. Baskar**, Director, IIIT Manipur (Senapati).
- **Ms. M. K. Pragya Deb Burman**, Ujjayanta Palace, Agartala.
- The **Director** of IIIT Agartala, West Tripura.

The backbone of the institute is its administrative and operational staff. All the faculty and staff members of NIT Agartala are looking after all the activities of IIIT Agartala under the leadership of the following administrator.

- **Chairman BOG** : Lt. Gen. (Retd.) Mr. Konsam Himalaya Singh
- **Director**: Prof. (Dr.) Abhay Kumar, Director, IIIT Agartala
- **Mentor Registrar**: Col. (Dr.) Ashish Badola, Registrar, NIT Agartala (from 18th January, 2023).
- **Mentor Dean(AA)**: Prof. Soma Nag, Professor, Dean (AA), Department of Computer Science and Engineering, NIT Agartala.
- **Dean P&D** : Prof. (Dr). RN Mahapatra , NIT Agartala.
- **Assoc. Dean (Exam)** : Dr. Srimanta Ray, NIT Agartala .
- **Dean SW1** : Prof. (Dr.) Deb Dulal Tripura, NIT Agartala.
- **Dean SW2** : Prof. (Dr.) Arvind Kumar Jain, NIT Agartala.
- **Head of the Department**: Dr. Ashim Saha, Associate Professor, Department of Computer Science and Engineering, NIT Agartala.
- **UG Coordinator**: Dr. Susmita Sharma, Assistant Professor, Department of Computer Science and Engineering, IIIT Agartala.

Department of Computer Science and Engineering

The Department of Computer Science and Engineering at the Indian Institute of Information Technology Agartala offers a B.Tech. programme that equips students with strong technical knowledge, innovation, research aptitude, problem-solving skills, and professional ethics. The curriculum fosters interdisciplinary learning, teamwork, and industry readiness. Since its establishment in 2018, the department has been committed to academic excellence, with its first undergraduate batch graduating in 2022.

Academic Programs and Course Curriculum

The Institute currently offers a four year undergraduate (UG) B.Tech. programme in Computer Science and Engineering (CSE), reflecting its commitment to excellence in technical education and innovation. With a vision for sustained academic growth, IIIT Agartala plans to expand its academic offerings by introducing additional undergraduate, postgraduate (PG), and Ph.D. programmes in emerging disciplines of science, engineering, and technology, subject to the necessary statutory approvals.

Planned Campus architecture

While IIIT Agartala currently operates from its mentor institute, NIT Agartala, ensuring access to high-quality academic and residential facilities, the Institute is steadily progressing towards its dedicated permanent campus at Hazaramara, West Tripura, India. The upcoming campus will serve as a modern centre of excellence, designed to foster cutting-edge education, interdisciplinary research, innovation, entrepreneurship, and holistic student development, while supporting the Institute's vision of expanding undergraduate, postgraduate, and doctoral programmes.

Few of the proposed campus architectures are shown as 3D images below:

Location

Transit Campus: National Institute of Technology Agartala

- Address: NIT Agartala Campus, Jirania – 799046, Tripura, India
- Coordinates: 23.8413° N, 91.4236° E (approx.; to be verified)
- Connectivity:
 - **Road:** 4 km from NH-44; connected to Agartala city (20 km)
 - **Rail:** Nearest station – The campus is located nearest to Jirania Railway Station, while Badharghat Railway Station offers superior rail connectivity with a wider range of train services.
 - **Air:** The nearest airport is Maharaja Bir Bikram Airport (Agartala), which is well connected to major Indian cities through regular daily flights, ensuring convenient access for students, parents, and visitors.

Hostel Facilities

All the students of IIIT Agartala are provided accommodation in the NIT Agartala campus hostels – for both boys and girls. Presently, IIIT Agartala is having 2 boys hostels (“Dhalai” and “Gomati”) having the capacity 218 rooms which can accommodate nearly 200 male students. Recently another hostel was constructed at NIT Agartala campus which can accommodate 1500 male students. There is 1 (one) girls’ hostel in NIT Agartala which can accommodate girl students of IIIT Agartala.

Academic Facilities

The Institute has all basic infrastructural facilities for conducting undergraduate courses. It has got adequate number of well qualified and experienced faculty members and technical and supporting staff. This part the Institute has the following facilities:-

Centralized Library (Knowledge Centre)

Campus Internet (Local Area Network and Wi-Fi)

Computer Laboratory

Upgraded Laboratories with the latest equipment.

Workshops

Medical Facilities

The Health Center of NIT Agartala provides a 24-hour pharmacy and a well-equipped diagnostic laboratory. The institute community, which includes students of NIT and IIIT Agartala, staff, their dependents, and visitors, is served by its dedicated health services. It offers its patients round-the-clock emergency, ambulance, nursing, and doctor services from both internal and external personnel. Patients are referred to State Hospital or ILS Hospital in an emergency.

Banks and Post Office

The State Bank of India and Canara Bank has a branch with ATM facilities operating from the Institute campus. Apart from this, the Punjab & Sindh Bank has also an ATM facility in the Institute premises. The Tripura Gramin Bank runs one branch in the Institute Complex. There is a Sub-Post Office in the name of “NIT Agartala” in the Institute campus and its PIN Code is 799046.

Extra-Curricular Activities

During the academic year 2024–2025, IIIT Agartala flourished in the competitive sports arena, with exceptional involvement and accomplishments across numerous disciplines. Inter IIIT Agartala students have competed in competitions and won medals attesting to their ability and dedication. In addition, IIIT Agartala has hosted several tournaments with great energy. From cricket matches to many events involving NIT Agartala teams during the Sports Fest and FIT India Week, the excitement was evident.

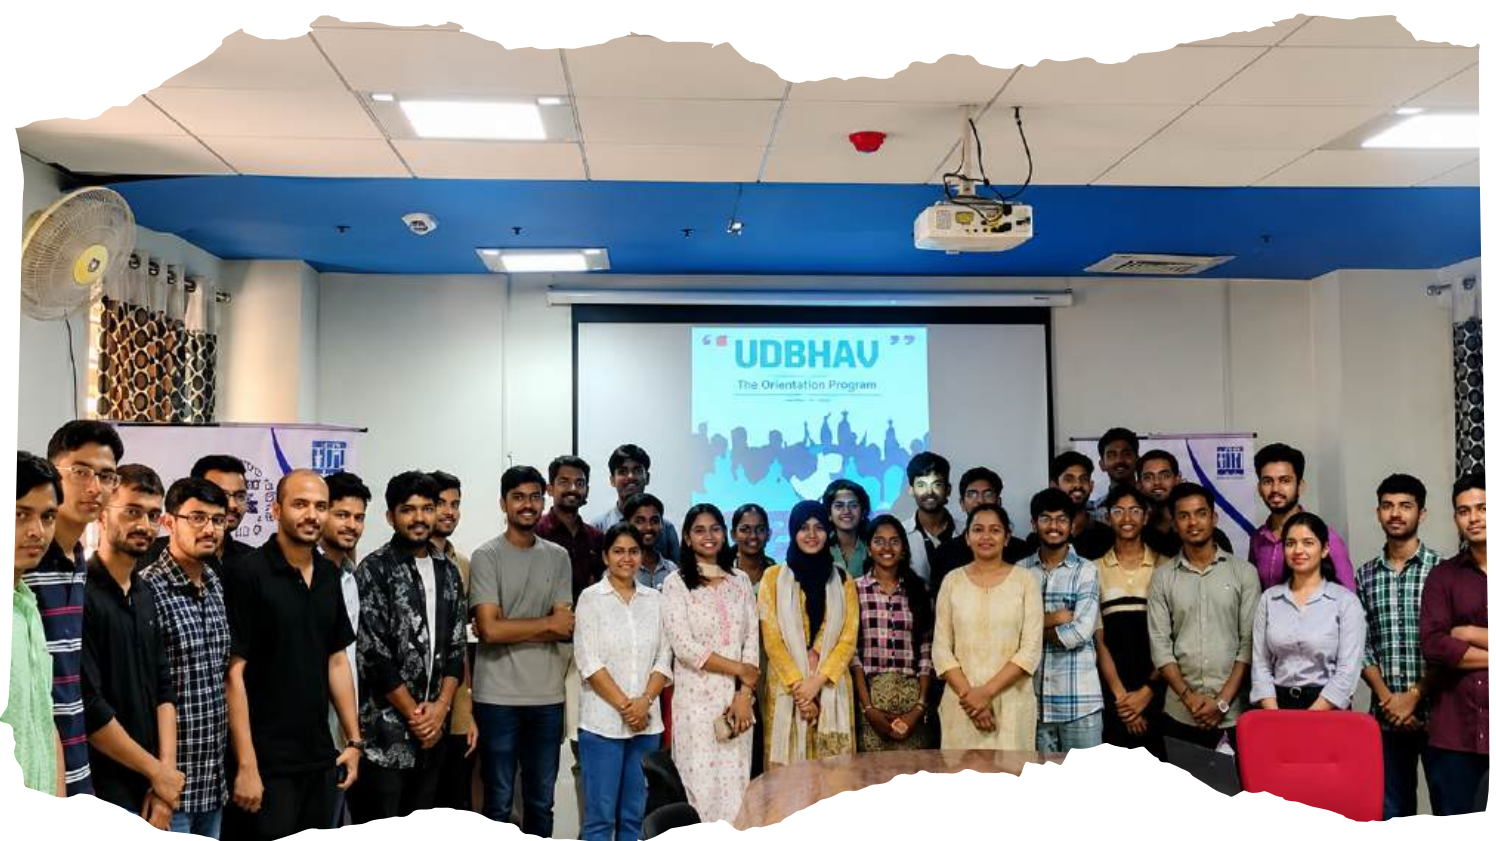

International Yoga Day celebrations

Students of IIIT Agartala students took part in a number of extracurricular activities. Sports tournaments, International Yoga Day celebrations, Swachh Bharat Abhiyan, were some of these events. They additionally participated in various coding competitions, and the techno-cultural festival. The aforementioned endeavours reflect the institute's commitment to providing its students with a comprehensive education.

Hackathon- UDBHAV

The IIIT Agartala students also excelled in various Inter-College competitions and were victorious in many sectors. The IT team was selected in top 40 project (E- Cell) under NGIN Scheme as well as participated at "DIGI SAPNE 2.0" held at Sikkim Manipal University, Inter IIIT Hackathon- UDBHAV, Industry- Tech -Acad -Conclave (ITAC) 2025 held at NIT Agartala and E-CELL NITA Ideathon 25'. This shows the excellence and innovation offered by the institute, where students have made their mark in IT and technical competitions.

IIIT Using NITA Central library started its functioning in the year 2006 with limited resources in an old small building (Formerly it was Tripura Engineering College managed and controlled by the Higher Education , Govt. of Tripura) Since then it has grown in size and content to take a notable shape. NITA Library is now in a new sophisticated building with all modern amenities for library readers. At present the ground floor with 2282.00 sqm and the first floor with 2282.00 sqm. of the new building is being utilized by the library. The new Library building also known as 'Knowledge Centre' has large floor area with following sections- Acquisition, Processing (Technical), Circulation, Reserve, Reference, Literature, Non Book, Text Book, Digital library, Reprography, Back volume Journals (bound) and other Periodicals, Current periodicals and magazines display. Purified water facility, lavatories, ample lit space for reading with adequate sitting capacity are provided in both the floors for making an aesthetic appeal to the library users. The whole library is covered with CCTV surveillance. NITA Library is also equipped with round the clock uninterrupted power supply and network facility through broadband connection. The existing digital library is under renovation in its new premises with 40 seating capacity. There is a separate conference room in the library.

NITA Central Library is open access and the library collections are organized by Dewey decimal classification system. The library is at present equipped with facilities and resources in the forms of books, periodicals, dissertation, thesis, CD ROM, back volumes journals, e-resources etc. At present the library holds 69629 no's of books and the metadata of the same had been prepared to enrich the OPAC (Online Public Access Catalogue) system for searching the available resources of the library. There is a dedicated terminal at ground floor of library for searching the OPAC (Online Public Access Catalogue) and borrowers' details. The library is equipped with RFID (Radio Frequency Identification) system. In addition to security of library materials (tagged) this system provides the facilities like self-check-in and check-out, identification of tagged materials.

Achievements

The IIIT Agartala students were also active in various cultural events where they marked their success. The teams won Rangmanch-25'atAaveg- NIT Agartala, became finalist in Nukkad Natak at Alcheringa25'-IIT Guwahati and also finalist in Hindi Poetry 25'. This achievements mark the cultural edge provided by the institute apart from the technical understandings so that the youth can get rooted towards the culture and heritage of our country.

The IIIT Agartala Sports team took part in a number of on-campus and off-campus activities, most notably the InterIIITSportsMeet,with great enthusiasm. The men's teams competed in chess and cricket and made it to the quarter finals in tug of war, while the women's team took home silver in the long jump,100-meter,and 200-meter competitions. These records serve as a testament to their accomplishments.

IIIT Agartala hosted its Internal Hackathon for SIH 2025 on 16th September 2025, where students from 1st-3rd year showcased their passion, creativity, and problem-solving skills by pitching innovative ideas and developing solutions to real-world problem statements. The event provided a vibrant platform for idea validation and prototype development, with expert jury members offering detailed assessments and constructive feedback.

Vishakha Rao of the CSE Department deserves special recognition for making history at the Inter IIIT Sports Meet 2024 in IIIT Allahabad. She won three silver medals in the 100- and 200- meter sprints as well as the long jump. She also won a gold in long jump and bronze in the 100m Sprint in Inter-IIIT Sports Meet held at ABV-IIITM Gwalior along with two Silver medals in Sprints as well as Long Jump at the Inter-IIIT Sports Meet held at IIIT Prayagraj. This was accomplished under the guidance of Dr Sukanta Goswami, the Physical Education Officer at NIT Agartala and I/CIT Agartala Sports.

At IIIT Agartala students and faculty members committed to a drug-free living enthusiastically participated in the Nasha Mukta Bharat Abhiyan pledge-taking ceremony. This program, which is being led by the Ministry of Social Justice and Empowerment of Govt. of India, highlights the vital role that youth play in creating a drug-free society.

Dishank Patil, a 4th-year student of IIIT Agartala, along with his team PerfectBuy.ai, has secured the 1st Runner-up position at Walmart Sparkathon 2025. The competition witnessed 7,165 submissions from across India, and their innovative idea stood out, earning recognition at Converge Walmart, Bangalore. This remarkable achievement highlights the creativity, problem-solving skills, and technical excellence nurtured at IIIT Agartala.

Rayyan Seliya, a 3rd year student of IIIT Agartala, has been selected as a mentee in the prestigious Cloud Native Computing Foundation (CNCf)-Knative: Enhancing the Knative fun CLI Experience (Term3,2025) Mentorship Program, organized under the Linux Foundation (LFX Mentorship Program). This achievement highlights the growing presence of our students in global open-source communities and the iractive contribution to cutting-edge technologies.

Abhiswant Chaudhary, a 3rd year student of IIIT Agartala, has been selected for the prestigious Cloud Native Computing Foundation (CNCf) Open Cruise Mentorship Program (Term 2, 2025) under the project "Best Practices for Karmada /OCM Integration." This global mentorship initiative under CNCf aims to advance open-source contributions and cloud-native technologies. This reflects the growing presence of IIIT Agartala in the international tech community.

Desh Deepak Kant and Shivam Shekha Roy, 4th year students of IIIT Agartala, has succeeded in presenting proposals that have been accepted for Google Summer of Code 2025. This Achievement of our students put forward atestament to the institute's dedication to nurturing talent and inspiring success.

Himanshu Jaiswal, a 3rd year student from IIIT Agartala, has achieved a remarkable milestone by getting his proposal 'Chat Ops4s Prototype' accepted by the organisation Scala Centre for the Google Summer of Code (GSoC)2025. This marks the achievement of the institute's dedication to fostering talent, innovation, and academic brilliance.

In keeping with the institute's dedication to holi sticwellness, ayoga practice session was part of the commemoration of the International Day of Yogain2024. These initiatives highlight IIIT Agartala's commitment to providing its students with a fair and competitive environment.

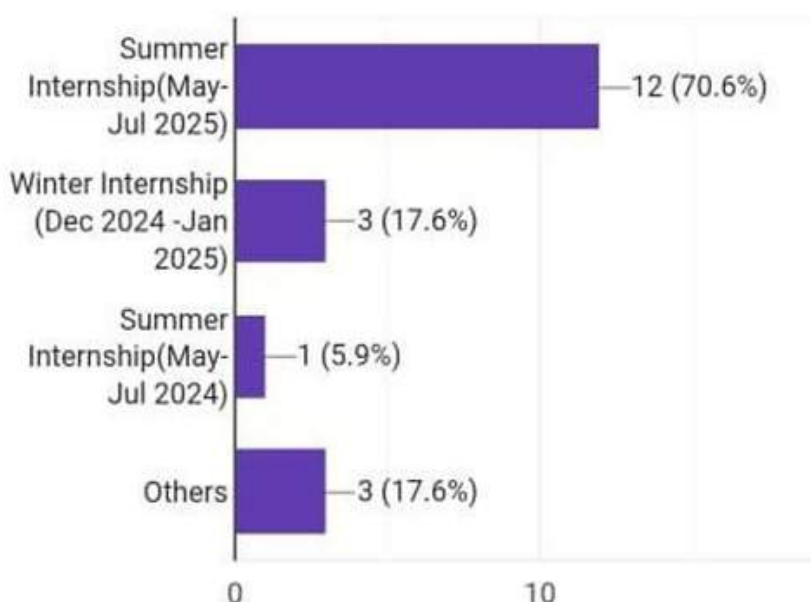

RECRUITING ORGANISATIONS

Internship Statistic

IIIT Agartala makes sure to create an environment for industry training during the academic years to better equip students for future endeavours. Apart from placements the on-rolled students of 2nd and 3rd year have actively participated and showcased outstanding performance towards different fields in various remote and on-campus projects with both national and international companies. The industrial exposure received during the academic years pave a way for individuals towards a better portfolio and future career aspects.

MEMORANDUMS OF UNDERSTANDING

1. A Memorandum of Understanding (MoU) has been signed between the *Department of Higher Education, Ministry of Education, Government of India*, and *IIIT Agartala*. Its objective is to evaluate the institute's performance against defined targets and standards, so that improvements can be made in key organizational benchmarks.
2. The *Indian Institute of Management Visakhapatnam (IIMV)* and *IIIT Agartala* signed an MoU on 11 September 2025 to collaborate on a Post Graduate Program in Management (PGPM) for centrally funded technical institutions and institutions of national importance.
3. *IIIT Agartala* has also signed an MoU with *Seven Arts of Living* to encourage students towards stress and anxiety management and overall well-being programs.

ACTIVITIES

GDG IIIT AGARTALA

Pres. Himanshu Jaiswal

ORIENTATION

GDG Orientation was conducted to introduce students to Google Developer Groups at IIIT Agartala. The session highlighted GDG's vision, upcoming events, and opportunities for students to get involved.

OPENVERSE HACKATHON

OpenVerse, a virtual hackathon organized by GDG IIIT Agartala in collaboration with Google, brought together students from multiple colleges to build solutions for real-world campus and community challenges.

SPORTS ACHIEVEMENTS & PARTICIPATION

INTER IIIT SPORTS MEET

IIIT Agartala students actively participated in the Inter IIIT Sports Meet, showcasing exceptional talent and sportsmanship across multiple events.

CAMPUS SPORTS ACTIVITIES

- Active participation in Sports Fest with NIT Agartala
- Multiple cricket matches & tournaments organized
- Participation in FIT India Week & Yoga Activities

ARTS & CULTURE

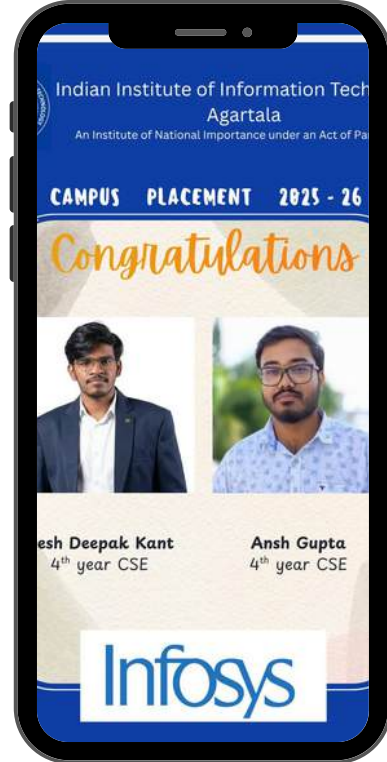

CREATIVE EXCELLENCE

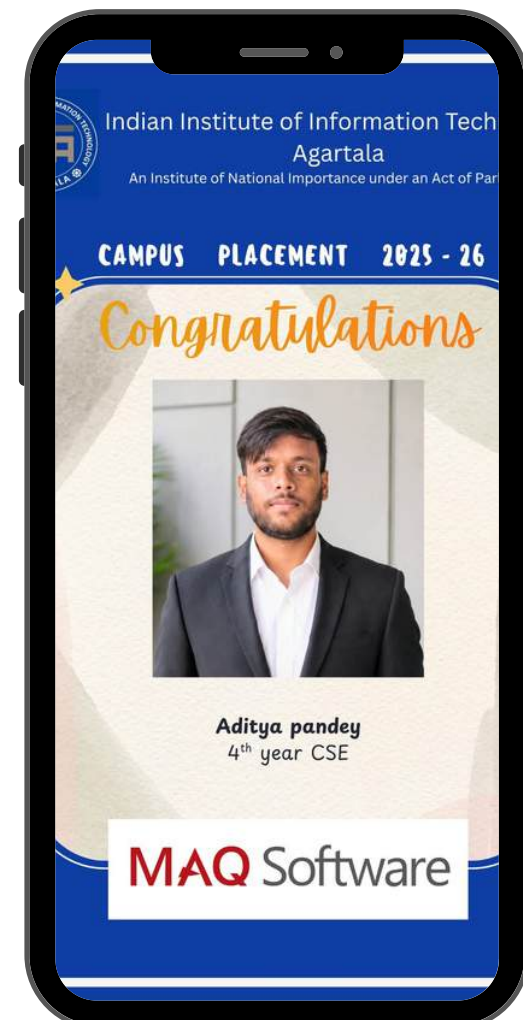

Students demonstrated excellence in performing arts, literature, and theatre, reflecting the institute's focus on holistic development beyond academics.

ACHIEVEMENTS

Winner - Rangmanch 2025 (Aaveg, NIT Agartala)
Finalist - Nukkad Natak (Alcheringa, IIT Guwahati)
Finalist - Hindi Poetry

Keep your Dream alive
Work Hard & keep patience

Centre for Career Development (CCD)

Centre for Career Development (CCD) is to assist students in their career exploration and successful job search and to successive placement. The centre provides regular guidance to the students regarding their career ambitions. The aim and objective of the centre is to motivate student to adopt career oriented mindset in conjunction with job orientation.

The centre facilitates convenient interface for the companies to interact with students so that it is mutually beneficial for both the student mass and for industry and corporate sectors. Such programs could inspire and motivate young talent towards core engineering sectors in order to meet the demands of the corporate world staging a drive for national progress and to become diligent citizens.

CCD invites and welcomes different industries, organizations and experts from various engineering and management sectors to visit the campus for interaction with the students. This facilitates them with a sound platform to interact with our young talented and dynamic students to meet their recruitment needs. The diverse skill acquired by the students and the extensive theoretical knowledge, they have gained from the curriculum, definitely makes them an asset for any organization.

By gathering consistent feedback from corporate visitors, CCD draws the attention of the authority and makes students aware regarding themselves to set their career path towards excellence. During this pandemic situation, CCD has gone further to conduct all the recruitment drives, organizes training sessions, workshops, webinars and internship through virtual mode. The centre always makes the recruitment drive a comfortable process for recruiters and enriching experience for the students in the following manner by :

- Providing placement assistance

- Ensuring placement drive

- Assisting national and international internship/summer training opportunities

- Organizing training program in association with the corporate and industries

- Arranging special lectures by executives from industries and corporate to cater to different geographies and industrial needs

- Conducting mock interview for pre-final year students

- Organizing value added programs such as the personality development and communication

Admission Process

IIIT Agartala follows the schedule of JoSAA for admission to under-graduate courses. The academic eligibility criteria for admission in IIIT Agartala is same as the criteria laid down in the Joint Seat Allocation Authority/ Central Seat Allocation Board (JoSAA/ CSAB) information brochure/ business rules.

Eligible Candidates (as per the criteria laid down by JoSAA/CSAB) who are allotted an academic course at IIIT Agartala, have to, first, take provisional admission at the finally allotted Institute by JoSAA/CSAB during counseling sessions. Only such candidates, who possess valid provisional admission letter (for IIIT Agartala) issued by JoSAA/ CSAB, are eligible to get provisional admission at IIIT Agartala

Memorandums of Understanding

A Memorandum of Understanding (MoU) was signed between the Department of Higher Education, Ministry of Education, Government of India and IIIT Agartala, keeping the objective to measure the performance of the Institution on parameters against the targets set so as to improve the performance on the critical parameters of the organization.

IIM Visakhapatnam (IIMV) and IIIT Agartala signed an MoU on 11th September 2025 to collaborate on the Post-Graduate Program in Management for Centrally Funded Technical Institutions and Institutions of National Importance (PGPMCI).

IIIT Agartala has also signed an MoU with Art of Living to encourage students towards stress and anxiety management and benefit from their programs.

Conduct and discipline

1. The conduct of the Students within and outside the premises of the Institute shall be such as is fitting to the students of an institution of national importance.
2. As per the order of the Hon'ble Supreme Court of India, ragging in any form is banned in the Institute. Acts of ragging will be considered as gross in discipline and will be severely dealt with.
3. The following acts of omission and or commission shall amount gross violation of the code of conduct and shall invoke disciplinary measures:
 - Ragging
 - Lack of courtesy and decorum; indecent behavior anywhere within or outside the campus.
 - Wilful damage or removal of any property/belongings of the Institute/Hosteller or fellow students.
 - Possession, consumption or distribution of alcoholic drinks or any kind of hallucinogenic drugs
 - Mutilation or unauthorized possession of library books
 - Noisy behaviour, disturbing of studies of fellow students.
 - Hacking in computer systems (such as entering other person's area without prior permission, manipulation and/or damage of computer hardware and software etc.)
 - Any other act of gross indiscipline. Commensurate with the gravity of the offence, the punishment may be reprimand, fine, and expulsion from the hostel, debarring from an examination, rustication on attending classes for a specified period or even outright expulsion from the Institute.
4. For an offence committed in (a) a Hostel, (b) a Department or in a classroom, and (c) elsewhere, the Hostel Superintendent, the Head of the Department and the Dean of Student welfare, respectively, shall have the authority to reprimand or impose fine with the approval of appropriate authority.

5. All cases involving punishment other than reprimand shall be reported to the Chairman, Students Disciplinary Committee.
6. All major acts of indiscipline, which may have serious implications on students in general, and/or which may warrant a uniform and more formalized nature of investigation, shall be handled by the Students Disciplinary Committee appointed by the Director.
7. Cases of adoption of unfair means in an examination shall be reported to the Dean of Academic Affairs for taking appropriate action.
8. In the event of a major punishment, the student shall have the right to appeal to the Director.
9. The Institute attaches emphasis on discipline of the students and their character building. The students are expected to maintain discipline of a very high standard. All Rules and regulations of the college and hostels as laid down by the authority and issued from time to time have to be followed by each student.
10. Students are warned that any kind of activity, which may lead to fatal accident, is strictly prohibited in the Institute campus. Guardians are advised to caution their wards regarding such matter.
11. Possession of any kind of weapons inside the Institute campus is strictly prohibited.
12. If any property/equipment in the campus is damaged or, any loss caused to the Institution shall be recovered either directly from those identified students where ever possible or collectively from such group of students or association as responsible for the activity/activities.
13. For the benefit of the students and staff of the college private bus service has been arranged from Agartala to college campus and back. The students availing bus facility have to maintain discipline inside the buses. Such students are expected to make regular payment of bus fare in the interest of ensuring smooth running of the buses. Guardians are requested to make payment as per modalities to be decided by the bus committee of NIT Agartala.
14. Ragging in any form is banned in NIT , Agartala, and any one indulging in ragging is bound to be punished appropriately. The punishment may include expulsion from the Institution, suspension from the Institution or classes for a limited period or fine with a public apology. The punishment may also take the shape of: (a) with holding of scholarships or other benefits (b) debarring from representation in events (c) with holding of results (d) suspension or expulsion from hostel/mess based on the gravity of offence as per decision of the Disciplinary Committee.
15. It is necessary for all students to take clearance from appropriate authority in a prescribed form at before admission to each semester.
16. The authority reserves the right to take action against the students for unsatisfactory conduct or indulging himself/herself in any activities affecting the over-all disciplinary environment of the Institute.
