1. Introduction:

The Hon'ble Government of India established the Indian Institute of Information Technology Agartala (IIIT Agartala) to pursue excellence in technical education and research, especially in the area of information technology, to usher in a new era of development in the nation, especially in the North-East states. The Hon'ble Ministry of Education has designated IIIT Agartala as an "Institute of National Importance" in recognition of this institution's strategic potential in starting and sustainability in technical education in North East India.

To address the difficulties of sustainable development in a knowledge-based economy, IIIT Agartala is aware of its vital role in higher education and carries with it significant obligations. The strategic thrust of this initiative aims to advance, cultivate, and expand the boundaries of sustainable job opportunities for the rural and socio-economic challenges across the entire Northeast region of India.

Information technology is the primary emphasis of IIITs, a collection of higher education institutions in India. Founded under the same Non-Profit Public Private Partnership (n-PPP) paradigm, IIIT Agartala (Tripura) is one of the IIITs in Agartala, Tripura. It is based on the public-private partnership (PPP) model. The Oil & Natural Gas Corporation (ONGC) Ltd., the State Government of Tripura, the Government of India, and North Eastern Electric Power Corporation Limited (NEEPCO) Ltd. are the project's partners. The Department of Computer Science and Engineering at the temporary campus of the mentor institute, NIT Agartala, where all of NIT Agartala's facilities are available to IIIT Agartala students, marked the beginning of the Institute's operations in the academic year 2018–19.

2. Vision & Mission of the Institute

Vision:

- a. To be a leading technical and research institute of higher education in information technology and allied areas that are envisioned to foster intelligent learning, social commitment and innovation to create future leaders and serve the society.

Mission :

- a. To promote academic growth by offering different UG, PG, doctoral programs and generate new knowledge through research.
- b. To impart value added teaching learning for developing competent and skilled professionals.
- c. To create a strong association between academia, industry and society across the globe and to transform the life of an individual & the society.

3. Mentor Institute & Administration:

The National Institute of Technology (NIT) in Agartala is a centrally funded institution designed to provide high-quality technical education at several levels of higher education. The Union Cabinet approved the State Government's proposal to convert Tripura Engineering College into an NIT, a fully funded Central Government institution with deemed university status and the potential to become a National Center of Excellence. This day may be noted as a Red Letter Day in the history of both the State of Tripura and Tripura Engineering College (TEC).

In 1965, NIT Agartala (formerly known as TEC) was founded, incorporating the three conventional engineering disciplines of mechanical, electrical, and civil engineering. When it first opened, it was associated with Calcutta University and shared Bengal Engineering College's curriculum and testing procedures (now IEST, Shibpur). The Institute formally became associated with Tripura University upon its founding. The All India Council for Technical Education (AICTE) approved the Institute. The Institute launched a computer science and engineering degree program in the 1999–2000 academic year. Three additional courses—Electrical and Electronics, Production, and Transportation

Engineering—were added to meet the demand for technical personnel in the 2005–2006 academic year.

Administration:

All the faculty and staff members of NIT Agartala are looking after all the activities of IIIT Agartala under the leadership of the following administrator.

- a) Chairman BOG : Lt. Gen. (Retd.) Mr. Konsam Himalaya Singh
- b) Director: Prof. (Dr.) Abhay Kumar, Director, IIIT Agartala
- c) Mentor Registrar: Col. (Dr.) Ashish Badola, Registrar, NIT Agartala (from 18th January, 2023).
- d) Mentor Dean (AA): Prof. (Dr.) Rajib Saha, Professor, Dean (AA), Department of Computer Science and Engineering, NIT Agartala.
- e) Coordinator : Dr. Ashim Saha, Associate Professor, Department of Computer Science and Engineering, NIT Agartala.
- f) HOD : Dr. Mrinal Kanti Debbarma, Professor, Department of Computer Science, NIT Agartala
- g) UG Coordinator : Dr. Ranjita Das, Assistant Professor, Department of Computer Science and Engineering, NIT Agartala.

The Board of Directors (BOG) has sanctioned 10 faculty posts for IIIT Agartala.

4. Admission Procedure & Intake:

Admission to the undergraduate programme is made on the basis of allotment of seats through the Joint Seat Allocation Authority (JoSAA) & Central Seat Allocation Board (CSAB) based on the performance of the candidates in the Joint Entrance Examination JEE-(Main).

Presently, B.Tech degree is offered only in one department i.e. Computer Sc. & Engineering in IIIT Agartala with an intake capacity of 70.

7. Students on roll at Bachelor's Degree level-(Year-wise)

Sl. No.	Branch	2025	2024	2023	2022	2021	2020
1	Computer Science & Engineering		186	148	111	90	61

8. Examination & Evaluation (a brief note):

- a. Evaluation of the performance of the students is regarded as the most important academic activity in any educational institution. Evaluation of the students is made by both written examination and viva-voce.

Apart from this, the performance of the students is also evaluated through internal assessment. In every semester, one Mid-Term and End-Term examination is conducted. Apart from this, class tests and viva voce for all subjects are also taken.

- b. Marks are awarded to the students in each subject and on the basis of which the Semester Performance Index (SPI) is calculated. The result of both the Mid-Term and End-Term Examination is calculated through the Cumulative Performance Index (CPI/CGPA).
- c. In brief, the performance of a student is evaluated through written examination, class test, viva voce, practical examination, attendance and above all the behaviour of the student.

9. Placement & Internship Statistics

Placement Statistics :

IIIT Agartala under the mentorship of NIT Agartala has a dedicated Centre for Career Development coordinated by NIT Agartala for organizing Industrial Training, Internship and Placement for all the students of IIIT Agartala. EPAM Systems, JUSPAY, Amazon, CollegeDunia, Sutherland, Wayspire, etc. are the companies that visited the campus in the 2024-2025 session for placement purpose.

Details of the number of students placed during the period 2024-25 are given below:

Year	No. of UG Students passed out	No. of students participated	No. of students selected	Highest package in (LPA)	Average package in (LPA)
2023-2024	18	18	7	25.6	10.11
2024-2025	27	25	18	60	17.47

Internship Statistic :

IIIT Agartala makes sure to create an environment for industry training during the academic years to better equip students for future endeavours. Apart from placements the on-rolled students of 2nd and 3rd year have actively participated and showcased outstanding performance towards different fields in various remote and on-campus projects with both national and international companies. The industrial exposure received during the academic years pave a way for individuals towards a better portfolio and future career aspects.

Students enrolled for :

- Summer Internship (May 2024 -July 2024) : 1
- Winter Internship (Dec 2024- Jan 2025) : 3
- Summer Internship (May 2025 -July 2025) : 12
- Others : 3

10. Hostel and Other Facilities:

All the students of IIIT Agartala have been accommodated in the NIT Agartala Hostels. Presently, NIT Agartala is having 4 (four) boys' hostels having the capacity to accommodate nearly 3000 male students on the campus. Recently another hostel was constructed at NIT Agartala campus which can accommodate 1500 male students. There is 1 (one) girls' hostel in NIT Agartala which can accommodate 500 students on the campus.

There is an ATM-equipped branch of Canara Bank and the State Bank of India on NITA premises. In addition, there is also another ATM operated by Punjab & Sindh Bank at NITA. The Tripura Gramin Bank also runs one branch in the NITA complex. Moreover, there is a sub-post Office in the name of 'NIT Agartala' with pincode 799046. Students and staff employed with IIIT Agartala are utilizing these facilities available in the mentor institute, NITA.

11. Medical Care:

The Health Center of NIT Agartala provides a 24-hour pharmacy and a well-equipped diagnostic laboratory. The institute community, which includes students of NIT and IIIT Agartala, staff, their dependents, and visitors, is served by its dedicated health services. It offers its patients round-the-clock emergency, ambulance, nursing, and doctor services from both internal and external personnel. Patients are referred to State Hospital or ILS Hospital in an emergency.

12. Extra-Curricular Activities:

During the academic year 2024–2025, IIIT Agartala flourished in the competitive sports arena, with exceptional involvement and accomplishments across numerous disciplines. Inter IIIT Agartala students have competed in competitions and won medals attesting to their ability and dedication. In addition, IIIT Agartala has hosted several tournaments with great energy. From cricket matches to many events involving NIT Agartala teams during the Sports Fest and FIT India Week, the excitement was evident.

- i. Students of IIIT Agartala students took part in a number of extracurricular activities. Sports tournaments, International Yoga Day celebrations, Swachh Bharat Abhiyan, were some of these events. They additionally participated in various coding competitions, and the techno-cultural festival. The aforementioned endeavours reflect the institute's commitment to providing its students with a comprehensive education.

- ii. The IIIT Agartala students also excelled in various Inter-College competitions and were victorious in many sectors. The IT team was selected in top 40 project (E- Cell)

under NGIN Scheme as well as participated at “DIGI SAPNE 2.0” held at Sikkim Manipal University, Inter IIIT Hackathon- UDBHAV, Industry- Tech -Acad -Conclave (ITAC) 2025 held at NIT Agartala and E-CELL NITA Ideathon 25’. This shows the excellence and innovation offered by the institute, where students have made their mark in IT and technical competitions.

- iii. The IIIT Agartala students were also active in various cultural events where they marked their success. The teams won Rangmanch-25’ at Aaveg- NIT Agartala, became finalist in Nukkad Natak at Alcheringa 25' - IIT Guwahati and also finalist in Hindi Poetry 25’. This achievements mark the cultural edge provided by the institute apart from the technical understandings so that the youth can get rooted towards the culture and heritage of our country.

- iv. The IIIT Agartala Sports team took part in a number of on-campus and off-campus activities, most notably the Inter IIIT Sports Meet, with great enthusiasm. The men's

teams competed in chess and cricket and made it to the quarterfinals in tug of war, while the women's team took home silver in the long jump, 100-meter, and 200-meter competitions. These records serve as a testament to their accomplishments.

- v. IIT Agartala hosted its Internal Hackathon for SIH 2025 on 16th September 2025, where students from 1st-3rd year showcased their passion, creativity, and problem-solving skills by pitching innovative ideas and developing solutions to real-world problem statements. The event provided a vibrant platform for idea validation and prototype development, with expert jury members offering detailed assessments and constructive feedback.

- vi. The students of IIIT Agartala had the inspiring opportunity to participate in a Youth Meet hosted by Ramakrishna Mission, Agartala, Tripura. The event honored the legendary address delivered by Swami Vivekananda at the World's Parliament of Religions in Chicago in 1893, which brought India's rich spiritual and cultural heritage to the global stage and continues to motivate generations of youth.

- vii. Vishakha Rao of the CSE Department deserves special recognition for making history at the Inter IIIT Sports Meet 2024 in IIIT Allahabad. She won three silver medals in the 100- and 200-meter sprints as well as the long jump. She also won a gold in long jump and bronze in the 100m Sprint in Inter-IIIT Sports Meet held at ABV-IIITM Gwalior alongwith two Silver medals in Sprints as well as Long Jump at the Inter-IIIT Sports Meet held at IIIT Prayagraj. This was accomplished under the guidance of Dr Sukanta Goswami, the Physical Education Officer at NIT Agartala and I/C IT Agartala Sports.

- viii. At IIIT Agartala students and faculty members committed to a drug-free living enthusiastically participated in the Nasha Mukta Bharat Abhiyan pledge-taking ceremony. This program, which is being led by the Ministry of Social Justice and Empowerment of Govt. of India, highlights the vital role that youth play in creating a drug-free society and encourages group efforts to make this happen.

ix.

Dishank

Patil, a 4th-year student of IIIT Agartala, along with his team PerfectBuy.ai, has secured the 1st Runner-up position at Walmart Sparkathon 2025. The competition witnessed 7,165 submissions from across India, and their innovative idea stood out, earning recognition at Converge Walmart, Bangalore. This remarkable achievement highlights the creativity, problem-solving skills, and technical excellence nurtured at IIIT Agartala.

- x. Rayyan Seliya, a 3rd year student of IIIT Agartala, has been selected as a mentee in the prestigious Cloud Native Computing Foundation (CNCF) – Knative: Enhancing the Knative func CLI Experience (Term 3, 2025) Mentorship Program, organized under the Linux Foundation (LFX Mentorship Program). This achievement highlights the growing presence of our students in global open-source communities and their active contribution to cutting-edge technologies.

- xi. Abhiswant Chaudhary, a 3rd year student of IIIT Agartala, has been selected for the prestigious Cloud Native Computing Foundation (CNCF) OpenCruise Mentorship Program (Term 2, 2025) under the project “Best Practices for Karmada/OCM Integration.” This global mentorship initiative under CNCF aims to advance open-source contributions and cloud-native technologies. This reflects the growing presence of IIIT Agartala in the international tech community.

- xii. Desh Deepak Kant and Shivam Shekhar Soy, 4th year students of IIIT Agartala, has succeeded in presenting proposals that have been accepted for Google Summer of Code 2025. This achievement of our students put forward a testament to the institute's dedication to nurturing talent and inspiring success.

- xiii. Himanshu Jaiswal, a 3rd year student from IIIT Agartala, has achieved a remarkable milestone by getting his proposal 'ChatOps4s Prototype' accepted by the organisation Scala Centre for the Google Summer of Code (GSoC) 2025. This marks the achievement of the institute's dedication to fostering talent, innovation, and academic brilliance.

- xiv. In keeping with the institute's dedication to holistic wellness, a yoga practice session was part of the commemoration of the International Day of Yoga in 2024. These initiatives highlight IIIT Agartala's commitment to providing its students with a fair and competitive environment.

13. MoU with MoE

- a.** A Memorandum of Understanding (MoU) was signed between the Department of Higher Education, Ministry of Education, Government of India and IIIT Agartala, keeping the objective to measure the performance of the Institution on parameters against the targets set so as to improve the performance on the critical parameters of the organization.
- b.** IIM Visakhapatnam (IIMV) and IIIT Agartala signed an MoU on 11th September 2025 to collaborate on the Post-Graduate Program in Management for Centrally Funded Technical Institutions and Institutions of National Importance (PGPMCI).
- c.** IIIT Agartala has also signed an MoU with Art of Living to encourage students towards stress and anxiety management and benefit from their programs.

14. Board of Governors and Finance Committee Meeting

The BoG and Finance Committee of the Institute has been constituted and meetings were also held.

Sl. No.	Date of Meeting
1.	12-07-2024
2.	09-10-2025
3.	11-04-2025

15. SENATE Meeting

5.	5th SENATE Meeting	13-06-2023

6.	6th SENATE Meeting	08-04-2025
----	--------------------	------------

16. Information regarding pass-out students

The 4th batch of 27 students passed out during the January- June 2025 session. 18 students have been placed in reputed organizations/ companies.

17. Salient Features / Achievements of IIIT Agartala

- i. The fourth batch of 27 students of IIIT Agartala has been passed out during January-June 2025 session.
- ii. Various Central Govt., State Govt. Scholarship schemes benefit IIIT Agartala
- iii. Students won three silver medals in Inter IIIT Sports Meet 2024 in IIIT Allahabad.
